

Hebron Parks and Recreation Travel Basketball Boys and Girls Grades 5-8

Tryout Dates

**All tryouts will be played at the Hebron Elementary School Main Gym*

**Please see "Travel Basketball Tryout Dates" on the Parks and Rec website*

Travel team registration is open to Hebron residents only. Exceptions may be made to Andover and Marlborough residents if there are not enough players to field a team.

Interested participants must register on RecDesk for the Travel Basketball Tryouts that correspond with their grade. There is no cost to register for tryouts. Players who register after the deadline will not be eligible to tryout.

All players must attend tryouts to be considered for the team. Players who were previously on the team are not guaranteed a roster spot. Special arrangements for players who are unable to attend will only be made at the coach's discretion.

Players who are not selected to the Travel Team, or register for a Travel Team that does not have enough players, will be able to register for the Recreational Basketball program before the deadline.

Players who are selected for the Travel team are not permitted to also participate in the Recreational Basketball Program.

Players must register for the team specific to their current grade in school. We will not allow players to play up unless there is a need for more players for a specific team.

Travel Basketball fees will be assessed to all players who are selected before the beginning of the season. If payment is not made before the first game of the season the player will be unable to participate.

The season typically includes 16 games beginning the first weekend in December, followed by an end of season tournament the first weekend in March. Games are played on Fridays, Saturdays and Sundays.

Practices are scheduled twice a week. Location, days, and times are to be determined.

Travel Basketball is a large commitment intended for more competitive players with higher abilities. Playing time will not be dispersed evenly or guaranteed to any player.
