Currently, all travel programs are for Hebron residents only with the exception of the 8th grade boys team, which allows Andover residents.

Interested participants must register and pay for the Recreational Basketball Program as well as register for the Travel Tryout date that corresponds with their grade. There is no fee for the tryout.

Participants who make the travel team will be assessed an additional travel fee before the season begins. If a participant does not make the travel team, they will be able to attend the Recreational league evaluations the following week.

If there are not enough interested participants, the players who registered for tryouts will be notified and placed in the recreational league.

Players who are selected for the Travel team are not permitted to participate in the Recreational Program.

Practices will begin the first week of November. Practices will be held one to two days a week. Location, days, and times are to be determined.

Games begin the first week of December. The season typically includes 16 games, played mainly on Saturdays and Sundays, with an end of the season tournament scheduled in March.

The Travel Program is competitive, and expectations are much higher. Playing time is not evenly distributed or guaranteed to all participants.
